KALAHARI RESORT AND TRAPPERS TURN GOLF CLUB RAISE NEARLY \$70,000 TO FURTHER ENRICH WISCONSIN DELLS HIGH SCHOOL MUSIC PROGRAM

-Dells High School to Use Funds for First Musical in 30 Years-

WISCONSIN DELLS, Wis. (Aug. 17, 2009) – Kalahari Resort and Trappers Turn Golf Club held the fifth annual Golf For a Song event on Thursday, August 13. The event raised nearly \$70,000 for the Wisconsin Dells High School music program and nearly 175 golfers participated.

“We are thrilled to have had the participation we did this year from local residents and sponsors,” said Todd Nelson, President and owner of Kalahari Resort and Trappers Turn Golf Club. “Music is something that touches everyone in one way or another and it is important for Kalahari to give back to the students of our community in a way that has such a valuable impact.”

This year the money raised at Golf For a Song will allow the Wisconsin Dells High School to produce a musical for the first time in nearly 30 years due to lack of funding. The musical will run from November 13-15 and 80 students are expected to participate. The money will also be used for instrument repairs, new band room chairs and other supplies that help to enhance the overall quality of the school’s music programs.

“Our band program had 80 students participating two years ago and now we are up to 150, that’s a large number for a school that only has about 550 students total,” said Marty Fults, band director and music department chair at Wisconsin Dells High School. “The impact that Golf For a Song has had on our music programs has been tremendous, every student at our school has been able to enjoy the benefits of this event.”

The outing included 18-holes of golf at Trappers Turn, a cart with user-friendly GPS, use of the practice facility, complimentary lunch buffet, deluxe appetizer reception, prizes, putting contest and a number of raffles.

Over the past five years, Golf For a Song has allowed Wisconsin Dells High School to offer instruments to every student interested in participating in the school's music programs, has purchased new band uniforms, 30 classroom keyboards, supplies and much more.

Nelson has been a supporter of the Wisconsin Dells High School music program for many years, as owner of the Pizza Pub he donated a dollar from every spaghetti dinner sold. Though Nelson no longer owns the local restaurant the current owner continues to donate to the program as well.
