## **Spa**

Adults can escape to the spa in March for a treatment inspired by St. Patty's Day. Spring, a time of new beginnings for mind and body, brings treatments infused with fresh mint. The mint aromatherapy massage (\$100) relaxes while the body scrub (\$105) leaves a glowing swimsuit worthy complexion and the mint pedicure (\$55) leaves feet in flip-flop shape. All mint treatments are 20 percent off during the month of March. In April, Spa Kalahari introduces Tropical Island treatments that include massage, body wraps and pedicures.

Guests may also book the **Spa King Bed and Breakfast** special in March and April which includes an overnight stay in a Lodge room, breakfast for two, \$50 spa gift certificate and admission to America's largest indoor waterpark for each registered guest.

## **Activities**

Kids know they'll find one-of-a-kind thrills like the world's largest behemoth bowl, four-lane mat racers, 12,000-square-foot wave pool and more in America's largest indoor waterpark. But they'll also find fun outside the waterpark with activities including craft projects, face painting cookie decorating and more.
