

KALAHARI RESORT – WISCONSIN
INDOOR AND OUTDOOR WATERPARKS
~ Leaving Others High & Dry ~

Indoor Waterpark Features – 125,000 square feet

- Master Blaster* As one of the only indoor up-hill water roller coasters in the country, the Master Blaster is perfect for those who laugh in the face of gravity. This 570-foot towering attraction blasts 5,600 gallons of water per minute, propelling guests through the rip-roaring ride. Start to finish, the Master Blaster rages passengers through its extreme course for 35 seconds of speed and screaming enjoyment.
- FlowRider* The first-ever indoor, stand-up surfing ride in the U.S., the FlowRider is powered by two powerful jet-propelled motors that blast 50,000 gallons of water-per-minute. As the only skill ride available in a waterpark environment, the FlowRider creates the equivalent of a five foot wave and captivates one's sense of adventure and tests the abilities of thrill-seekers.
- Safari Adventure KidSplash* The two-story, 2,000-square-foot Safari Adventure KidSplash interactive play area for children age six and under features nine slides, net crawls, tunnels and interactive water toys. In addition to having two lifeguards assigned to monitor the area, the KidSplash is designed to have 100 percent visibility so parents can keep an eye on their children and easily see them from every angle. Surrounded by only 12 inches of water, KidSplash is one-of-a-kind feature.
- Zambezi River* *Torrent* Relaxation and lounging at its finest, at 920 feet the Zambezi Torrent River is the longest indoor lazy river in the U.S.
- Victoria Falls* All aboard for a rafting journey. This 84-foot family raft ride has big tubes available for the whole family – a conveyor belt delivers rafts right to riders.
- Crocodile Cove* A splashing good time with nearly 3,000 square feet of activity pool to roam. Vacationers can experience the water walk, challenge themselves to some basketball hoops or cool down with a blast from the water cannons.
- Tanzanian Twister* Fasten your seat belts! You'll reach speeds of up to 40 mph in this exciting pipe-style, spiral flume ride.
- Rippling Rhino* We dare you to blink! Be bold enough to try the Kalahari's longest tube slide, almost 400 feet long.

<i>Zig Zag Zebra</i>	It would take a zebra less than six seconds to run the length of this winding tunnel ride.
<i>Elephant's Trunk</i>	Ever shot out of an elephant's trunk? It would take almost 40 actual trunk-lengths to equal this 270-foot tube slide.
<i>Wave Pool</i>	Grab your rafts and get swept away in the rocking waves of this 140,000-gallon Tidal Wave Pool.
<i>Cabanas</i>	African-styled private cabanas in the indoor waterpark, featuring comfortable furnishings, LCD televisions, refrigerators, personal food and beverage service, phone/internet access and iPOD docks, can be rented daily.
<i>Whirlpool Spa</i>	For total relaxation, there are five whirlpool spas located throughout the indoor waterpark.
<i>Wild Kingdom</i>	This amazing authentically African play area consists of 3,000 feet of net crawls, water guns, and slides from six to 20 feet high.
<i>Café Mirage</i>	Concession stand with drinks and treats for everyone.

Outdoor Waterpark Features – 77,000 square feet

<i>Bungalows</i>	For an extra dose of pampering, guests can rent private bungalows that include deck/patio areas, comfortable furnishings, food and beverage service, ceiling fan, flat screen TV, refrigerator, safe, iPOD docks and more.
<i>Extreme Rush</i>	A new racing-style slide in the outdoor waterpark brings out the competitive side of waterpark lovers. A two-lane slide, featuring rolls and drops throughout the 420-foot ride, allows riders to race headfirst to the finish line on sled-type mats.
<i>SplashDown Safari</i>	The 6,000-square-foot SplashDown Safari showcases 125 mechanical features that are hand-operated by kids. More than 2,000 gallons of water are pumped throughout the entire feature every minute via geysers, spinning trays, hose jets, water cannons, curtains, and wheels. A huge tipping bucket atop the play feature drenches guests with 1,000 gallons of water every two minutes. SplashDown Safari touts a full-size, zebra-striped safari vehicle and colorful web of nine different slides. Adding to the excitement, SplashDown Safari features many African animals, such as monkeys, tigers, lions, zebras and snakes.

- Wild Wildebeest* Delve into the deep caverns and gushing waterfalls of the Wild Wildebeest, Zambezi's wildest raft ride.
- Luapula Lazy River* The 750-foot long lazy river loops around the outdoor waterpark pools and waterslide tower. While floating down the lazy river, guests will encounter a waterfall with water rushing over rustic-looking rocks, an aqua fountain that simulates a large water geyser, and cooling mini-geysers. Also included are two pedestrian bridges, as well as a zero-depth entry beach and lounge area where guests can relax in the sun.
- Swahili Swirl* Take a whirl on the Swahili Swirl. It's a zippy trip down the zoomin' flume into a frenzied vortex that shoots out into the cool waters below.
- The Anaconda* Hang on to your raft as you experience sharp turns and high-speed plunges on the Anaconda.
- Watering Hole* Bubble and massage your worries away in this 50-person whirlpool spa.
- Children's Dry Play Area* Feeling shriveled like a raisin? Possibly waterlogged? Try the interactive play area.
